

16 TABLES (10 upstairs, 6 downstairs)  
 UP TOP: 2 scoring (and this will go to 4 in May to accommodate added judge and computer)  
 5 awards/results (including a holding table for my supplies),  
 1 for MACHs, 1 for maps, and 1 for spectator information.  
 DOWN: 3 at Ring 2 (2 for competitors toys/food/etc. and 1 for measuring stuff), and  
 1 for volunteer sign up area, and 2 for competitors toys/food/etc. at Ring 1  
 I don't know about hospitality? Are tables just there? I think so?  
 CHAIRS: 20 total, (4 upstairs, 16 downstairs) 105.4'  
 (6 per ring, 2 for the volunteer sign up area, 1 outside each ring for waiting folks)

This power drop was pulled to the edge of the blue fence and secured to two old style stick in the ground stakes

Red lines are Wood Board Fence

Black lines are concrete wall
